Our Monthly Mini Market is not closing!

There are dates planned for the remainder of 2019.

We want to continue running in 2020 and beyond!

Over the years, many local people have been drawn into our church family through the Mini Markets and, arguably less importantly, funds have been raised for local charities, church projects, mission support and much needed equipment for the church.

We are looking for a new Co-ordinator(s) for this important ministry. The ideal person(s) will have a heart for serving our community, be good at organising everything from people to storage and it would also be helpful to be physically fit to set up & pack away!
