Free Bible Study Resource: Coronavirus and Christ

In the midst of this fear and uncertainty, it is natural to wonder what God is doing. In *Coronavirus and Christ*, John Piper invites readers around the world to stand on the solid Rock, who is Jesus Christ, in whom our souls can be sustained by the sovereign God who ordains, governs, and reigns over all things to accomplish his wise and good purposes for those who trust in him. Piper offers six biblical answers to the question "What is God doing through the coronavirus?" - reminding us that God is at work in this moment in history.

A Message from Laura:

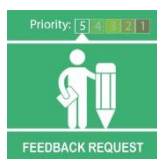

As the world continues home schooling / remotely / digitally educating our kids, if you need assistance with understanding something that has been assigned for your child, or need more resources, just give me a shout. Although I've been out of education for 6 months due to working as a children's and youth worker at a church, I am a qualified higher level teaching assistant (which means I'm qualified to teach) and happy to help. (If I don't know the answer, I can probably find someone who does!)

HAMPSHIRE
CONSTABULARY

The Big Conversation

Are you, or do you know, someone aged between 14-25?

Hampshire Police and Crime Commissioner Michael Lane's Youth Commission are seeking views from those aged 14-25 on crime and policing issues that matter most to them.

The Youth Commission are gathering views on:

- Serious violence
- Exploitation
- Hate Crime
- Any other policing issues that affect young people

They want to collect ideas on how to tackle them and use it to create innovative and dynamic campaigns, and present solutions to the Commissioner, police and partners.
