Keeping Our Buildings and Fellowship Safe

As we gradually begin to open our premises it is imperative that **no one enter any part of our buildings** without either the Church Office or our Church Secretary, Brenda Greenwood knowing about it in advance and giving permission. It is important to limit the spread of the virus and allows for cleaning to be focused where the risk has been highest.

Visitors to the Church Office must maintain the proper social distancing and wear a face covering. Visitor numbers are strictly limited, and you may be asked to wait outside.

Church Directory

The directory is for your sole personal use and it is against GDPR (General Data Protection Regulation) rules to pass on any address, email or phone numbers in the church directory to anyone else, including people in our church, without the prior permission of the person(s) concerned. When you no longer need a copy of the Church Directory you must dispose of it in a secure manner - ideally by shredding or burning. If you lose a copy Church Directory outside your home, you must report the loss *as a matter of urgency*, by speaking to our office administrators in person during office opening hours or by telephone 023 8039 9949 or by emailing us at office@shirleybaptist.org
