Church Directory & Database

The church office maintains a *strictly confidential* database of everyone in our fellowship.

We encourage all those who have recently joined us or moved to a new house to complete a Pastoral Database Information Form available from the stewards & the Office.

The Church Directory includes photos of our adults to help you get to know others; copies are available from the Church Office.

Face coverings remain recommended by the Government and the Baptist Union in enclosed and crowded spaces.

We would encourage all those who choose not to wear a face covering to sit downstairs, as near to the front as possible.

Please leave the balcony for those with compromised immune systems and the pews under the balcony free for those who choose to wear face coverings.

Please be aware that some people are exempt from wearing face coverings and there will be those who may not wish to sit close to others, shake hands or hug. If you wish to talk to someone who has chosen to wear a face covering, please respect them by putting on a face covering.
